

ComIT Video Production Is Recognized for Excellence

The ComIT/Multimedia Services Division has been recognized with a Bronze Award in the 30th Annual Telly Awards for its original video “People, Get Ready”. Produced in cooperation with the Hampton Roads Television Education and Municipal Stations (HRTEAMS), the Hampton Roads Planning District Commission (HRPDC), and the Virginia Department of Emergency Management, “People, Get Ready” highlights the importance of advance preparation for emergency situations. Information includes how to create a family emergency plan and a disaster supply kit, and knowing what to do if our area is impacted by an emergency event. “People, Get Ready” has both regional and local components. The video focuses on information that applies to all citizens across Hampton Roads such as evacuation routes, where to find official local emergency information and how to prepare your home. You can watch “People, Get Ready” online at www.vbgov.com/estream and selecting it under the “Featured Videos” section
