

**FY 2021-2022 Virginia Beach Budget
Response to Council Questions**

Question Number: 78

Question: Can you please tell me if the Special Pandemic Relief and Vaccine Support Reserve will cover the emerging need of a budget for the Citizen Review Panel? If not, do you have any suggestions for funding options for the CRP?

Date Requested: 4/20/21

Requested By: Councilmember Wooten

Department: Budget

Response: In FY 2021-22 the emergent need reservation could be used to fund this need; however, as the emergent need reservation is a one-time use of fund balance, moving into future fiscal years it would have to be absorbed into the budget in that year's resources.
