

**FY 2021-2022 Virginia Beach Budget
Response to Council Questions**

Question Number: 103

Question: Are you taking funding from a different CIP or will you have to come back to Council for additional funding to Violet Bank?

Date Requested: 4/27/21

Requested By: Councilmember Abbott

Department: Parks and Recreation

Response: In FY 2021-22, \$400,000 in available appropriations to date is being transferred from the City Bikeways and Trails Plan Implementation Project (CIP 100119) to the Violet Bank Trail Project. This funding will keep the Violet Bank Trail project moving forward. Currently, staff does not anticipate the need for additional funding beyond this reprogramming of funds. However, costs for materials are rising. The Department of Parks and Recreation will continue to monitor the budget for this project as well as others.
