GOVERNOR MCAULIFFE APPOINTS COUNCIL MEMBER TO STATE ADVISORY COUNCIL

Governor Terry McAuliffe announced additional appointments to his Administration last week, including one of our own. City Council Member Rosemary Wilson was appointed to the Broadband Advisory Council, an advisory council in the executive branch of state government.

The purpose of the Council is to help determine the Commonwealth's goals for broadband and advise the Governor on policy and funding priorities to achieve them, expedite deployment and reduce the cost of broadband access in the Commonwealth.

COUNCIL MEMBER SPEAKS AT VA SPORTS HALL OF FAME ANNOUNCEMENT

Council Member Jim Wood spoke on behalf of the City at the announcement of the 2018 Class of Inductees to the Virginia Sports Hall of Fame on Wednesday, Nov. 14 at the Sandler Center for Performing Arts. The class includes two former Virginia Tech coaches, football’s Frank Beamer and baseball’s Chuck Hartman, as well as Major League Baseball standout Mike Cuddyer, UVA running back and former NFL player Thomas Jones, Hampton University and NBA standout Ricky Mahorn, Randolph Macon basketball star Megan Silva Schultz, the WNBA’s Kara Lawson and sportswriter Doug Doughty. The Class of 2018 is the largest and perhaps most impressive.

The induction ceremony, the Hall’s first in Virginia Beach, will take place on April 7, 2018 at the Sandler Center.
OPPORTUNITIES

VBEMS TO DEDICATE NEW HEADQUARTERS AND TRAINING CENTER

Join Virginia Beach Emergency Medical Services (VBEMS) as they dedicate their new headquarters and training center on Saturday, Nov. 18 at 10:30 a.m. For the first time in the department’s history, the headquarters and training center will be together in one facility located at 4160 Virginia Beach Blvd.

Earlier this year, City Council approved the conversion of the former Adult Learning Center to the new headquarters and training center for VBEMS. This expanded facility offers a wide variety of opportunities for the largest volunteer-based emergency medical system in the country, including:

- A primary training site for initial and continuing VBEMS education
- A service center for volunteer applicant processing, intake and orientation
- A training hub for citywide prehospital care, operational oversight and coordination
- A training site for Emergency Communications E911

AWARDS & RECOGNITIONS

VB TAKES TOP HONORS AGAIN IN DIGITAL CITIES SURVEY

Virginia Beach won first place for the second year in a row in the 2017 Digital Cities Survey for its population category of 250,000-499,999 people. Organized by the Center for Digital Government, the Digital Cities Survey is an annual measure of city performance and innovation in using technology, and serves to identify emerging best practices. This year, the survey’s key objectives were focused on the Top 10 Characteristics of a Digital City: open, mobile, engaged, collaborative, secure, staffedSupported, connected, efficient, resilient, and use of innovation and best practices.

The survey, submitted by the Department of Information Technology, provided details on many of the City’s recently implemented technology-based projects such as the Collaborative Data Science Project; StormSense Project; VBConnect 2.0 and Service Link. The Digital Cities designation recognizes these initiatives that have been put into place to improve city services for residents.
CITY STAFF PRESENT ON VB HURRICANE RESPONSE AT CONFERENCE

Erin Sutton (Office of Emergency Management), Mark Johnson (Public Works) and Steve Motley (Public Utilities) attended the International Association of Emergency Managers conference in Long Beach, CA to present the City of Virginia Beach’s response to Hurricane Matthew. The presentation included lessons learned from each phase of emergency management, and also covered the challenges that our infrastructure departments dealt with in preparing for, responding to and recovering from this event. It provided background on Public Utilities’ generator program, Public Works’ pumping operations before Matthew and what approach will be taken moving forward. They discussed the City’s challenges with data and how OEM is updating plans and policies in the EOC and for personnel. The feedback received from the audience was positive and several commented on how the presentation offered a view that is not always provided after an event.

DRONE PROGRAM TAKES OFF

The Virginia Beach Police Department’s Helicopter Unit conducted a training class in support of the City’s newly established Unmanned Aerial Systems (UAS) program, or drone program. This class prepared students by covering the requirements needed to meet the FAA licensing standards as UAS operators. The remote pilot endorsement allows the individuals to safely operate a small, unmanned aerial system.

The Office of Emergency Management expects the UAS program to be an added resource and offer enhancements in search and rescue, fire mitigation and damage assessments after natural disasters such as last year’s storms. Public Works will be able to use this tool to provide infrastructure inspections and limit employee exposures to hazardous conditions such as climbing water towers and going under bridges. The Communications Office and Convention & Visitors Bureau plan to highlight key features and events in our city and better promote our yearlong resort appeal.
CVB HOSTS 2017 STATE OF TOURISM LUNCHEON

Impressive tourism numbers were on the menu as Convention and Visitors Bureau Director Brad Van Dommelen delivered his second State of Tourism in Virginia Beach address during a luncheon at the Virginia Beach Convention Center on Wednesday, Nov. 8. Kicked off by Mayor Sessoms who spoke of exciting times in store for Virginia Beach, more than 210 city, community, corporate and hospitality industry leaders attended to hear Van Dommelen’s presentation on one of the City’s strongest economic drivers.

According to U.S. Travel Association, the travel and tourism industry is very much alive and well, with a record 1.49 billion in direct travel-related expenditures generated in the resort city during the 2016 calendar year. Other data highlights from the presentation include:

- Annual visitation to Virginia Beach grew to 15.2 million
- More than 13,600 jobs in the city were directly supported by the hospitality industry
- Convention Center attendance surpassed 622,000 guests

MASTER FIREFIGHTER INDUCTED INTO ODU SPORTS HALL OF FAME

Congratulations to Virginia Beach Fire Department Master Firefighter Jeff Rusak on his induction into the Old Dominion University Sports Hall of Fame. As a former wrestling standout for the Monarchs, Jeff was one of five members inducted this year. During his time at ODU, he qualified for the NCAA tournament four times, won two Colonial Athletic Association titles and was CAA Wrestler of the Year in 2002. He is fourth in ODU history with 135 wrestling victories.

Master Firefighter Rusak is stationed at Town Center Station #7 and has been deployed twice to Puerto Rico this year as member of the Virginia Task Force 2 Urban Search and Rescue team.
ART SHOW HIGHLIGHTS SKILLQUEST PARTICIPANTS’ TALENTS

For the past 22 years, the Creative Arts Department at SkillQuest has presented individual and group art projects created by its many talented artists at an annual art show. All participating artists, their support network and the community were invited to attend the art show closing and dessert reception held on Monday, Nov. 13 at the Virginia Museum of Contemporary Art (MOCA). Each artist chooses whether to keep their art, receive the money from the sales of the art or donate the proceeds to SkillQuest.

SkillQuest Services provide skill building and person-centered services to more than 170 adults, 18 years or older with a primary diagnosis of Intellectual Disability (ID). Teaching and support are provided in the areas of communication, socialization, academics, independent living, gross and fine motor skill development, behavioral supports, leisure skills and community exploration. The various programs at SkillQuest include the Creative Arts Department, staffed by an art therapist and two art specialists who work with individuals throughout the year in several locations including MOCA.

ATHACHMENTS

♦ Nov. 6, 2017 – Copy of a letter from Wallis E. Damon, Jr., president of the Chesapeake Beach Civic League, to City Council regarding the issue of short-term rentals or event houses in Virginia Beach.

♦ Oct. 24, 2017 – Copy of a letter from S. Braxton Puryear, attorney at law, regarding monuments to the war between the states and memorials to confederate veterans.

♦ Virginia Beach Television (VBTV) Program Schedule | Nov. 19 through Nov. 25.
November 6, 2017

To the City Council of Virginia Beach:

With regard to the issue of Short Term Rentals or Event Houses in Virginia Beach, the Chesapeake Beach Civic League voted Monday, July 18, 2016 and unanimously passed a motion in support of the resolutions passed by the North Virginia Beach Civic League and also the Sandbridge Beach Civic League that address the issues of the “Event Houses.” That is to state:

“The Chesapeake Beach Civic League is aware of the proliferation of so-called “Event Houses” within the geographical limits of the City of Virginia Beach. It is the view of the League that the existence of Event Houses is a thinly disguised effort to utilize residential neighborhoods for commercial purposes contrary to existing zoning regulations and permitting processes for residential construction. Accordingly, the Chesapeake Beach Civic League (1) adamantly opposes any effort to allow the establishment of Event Houses within any residentially zoned neighborhood in Virginia Beach and more specifically within the geographical boundaries of Chesapeake Beach; (2) adamantly opposes any modification or adjustment to existing ordinances which do not permit Event Houses; and (3) adamantly opposes the establishment of any new ordinance which would allow existing Event Houses to operate on a limited basis.”

Please note and register the intent and position of the Chesapeake Beach Civic League as pertains to Event Houses in our city and neighborhood.

Sincere Regards,

Wallis E Damon, Jr
President, Chesapeake Beach Civic League

RE: Monuments to the War Between the States and Memorials to Confederate Veterans

Dear Mr. Hansen:

My Firm represents Several Local and State Individuals and Organizations which are Dedicated to the Protection of Monuments to War and Memorials to Veterans in the Commonwealth of Virginia. They are Persons having an Interest in these Monuments Not being Disturbed or Interfered with. Virginia Law clearly Proscribes any Action contemplated by a Locality Adopting any Resolution to Remove, Damage, or Destroy these Monuments.

Any Resolution to Remove, or to Damage or Deface, Monuments to War or Memorials to Veterans is an Unlawful Disturbance or Interference with these Monuments. Section 15.2-1812 of the Code of Virginia, 1950, as amended, Protects these and other Historic Monuments and Memorials for any War or Conflict or Veteran. This Statute specifies that “Disturb or Interfere With” includes “Removal of, Damaging, or Defacing Monuments or Memorials.” Please Advise the Virginia Beach City Council of the Illegal Nature of such Action.

It is Imperative that the City of Virginia Beach and the Virginia Beach City Council Not undertake any such Action. Section 15.2-1812.1 of the Code of Virginia 1950, as amended, provides for any Person having an Interest in the matter seeking Recovery of Damages where a Monument or Memorial is Violated or Encroached upon, or Disturbed or Interfered with. If the City of Virginia Beach and the Virginia Beach City Council do undertake any such Action, then I have been Instructed to take Appropriate Civil Legal Action to Protect these Historic Monuments. I Appreciate your Courtesy in this regard.

Please advise me as to any questions that you may have. Thank you for your attention to this matter.

Sincerely:

S. Braxton Puryear
