REMINDER: ENTERTAINMENT DISTRICT PUBLIC ENGAGEMENT WORKSHOP IS MARCH 15

At the direction of the City Council, we have scheduled a public workshop on Entertainment District projects for Thursday, March 15, from 6 to 8 p.m. at the Virginia Beach Convention Center, Suite 1. The Entertainment District is the area of the Oceanfront between 14th and 20th streets and bounded by Birdneck Rd. The workshop will seek input on three projects – the Dome Site Project, a Sports Center and the Pier Project – as well as parking considerations. Staff will provide an overview of the Entertainment District and each project.

The focus of the Entertainment District is to create a variety of family-friendly amenities that offer year-round activity options for residents and visitors alike. Those attending will have the opportunity to learn more about the projects and share your views, concerns and recommendations.

FIRST INTERFAITH FORUM IN VB OFFERS FAITH COMMUNITY BEST PRACTICES IN ADDRESSING HOMELESSNESS

The faith community has been the cornerstone of the effort to make homelessness rare, brief and nonrecurring in Virginia Beach for several decades. At its first interfaith forum, the Interfaith Alliance at the Beach, in collaboration with the Department of Housing and Neighborhood Preservation and the BEACH Community Partnership, will offer faith organizations best practices in addressing homelessness in order to strengthen their role and effectiveness in the communitywide effort. A forum will be held on Thursday, March 15, from 9 a.m. to noon at New Jerusalem Church of God in Christ (118 Bishop Thoroughgood Ave.).

The event is free and open to interfaith leadership; outreach and missions teams; nonprofit, civic, and business leaders; and interested citizens. It will feature a presentation by Tracy Flaherty-Willmott, associate director of OrgCode Consulting, Inc.; a networking resource fair; and an update on the City's Housing Resource Center. For more information or to register, visit www.iab-interfaithforum.eventbrite.com.
The Convention and Visitors Bureau is now accepting nominations for its 2018 Travel & Tourism Awards in celebration of National Travel & Tourism Week (May 6-12). The annual awards recognize Virginia Beach’s dedicated hospitality professionals who help host the millions of annual visitors who select the resort city as their destination of choice. Awards will be presented at a luncheon to be held at the Virginia Beach Convention Center during National Travel & Tourism Week.

Nominations can be made in more than 30 industry-related categories. Deadline for submitting is Friday, March 30. To nominate someone who makes a difference in the Virginia Beach tourism industry, visit tinyurl.com/NTTWVB2018. Contact: Virginia Beach CVB, (757) 385-4700.

The Virginia Beach Community Emergency Response Team (VBCERT) participated in the Eastern Shore CERT Rodeo this past weekend. Hosted by Hampton CERT, the CERT teams from Gloucester, Norfolk, Poquoson, Virginia Beach and James City County competed. VBCERT walked away with three top trophies for Incident Command, Search and Rescue, and Fire/Utility Control.

The rodeo was set up as a fun event made up of stations that demonstrate some of the things CERT members have learned in their training. Stations in this rodeo included the three VBCERT won trophies for, Medical Triage, Medical Treatment and Cribbing. Both the Leadership and Operations teams received kudos for doing everything properly and the Leadership Team was “the best anyone had ever seen.”

It was a great event and reinforced that all the teams in the region are trained to the same standard and would be able to work together if ever needed. The hope is that it will become an annual event in the region.
SEVEN NEW MEMBERS GRADUATE FROM 9-1-1 RECRUIT ACADEMY; THREE JOIN 311 CALL TAKER RECRUITS

The Department of Emergency Communications and Citizen Services (ECCS) welcomed the newest graduates of the 41st 9-1-1 Recruit Academy on Thursday, March 1. This is the ninth academy to join ECCS’ ranks since June 2016. After completion of classroom training, the graduates will begin the hands-on job-training portion of the academy, working with the training staff to develop the skills necessary to be successful Public Safety Telecommunicators.

Three new members joined the team as 311 Call Taker recruits on Feb. 15. These recruits are currently undergoing approximately eight weeks of on-the-job and in-classroom training. They will work closely with training staff to develop the customer service skills needed to be successful 311 call takers.

VBPD OFFICER RECOGNIZED FOR FOCUSING ON UNSAFE DRIVING

Master Police Officer Travis Aicher received the John T. Hanna Impaired Driving Prevention Award from Drive Safe Hampton Roads at a ceremony held on Feb. 21, recognizing his efforts over the past year including 38 physical arrests for impaired driving and 285 summonses issued.

MPO Aicher serves as the Virginia Beach Police Department’s lead impaired driving instructor, responsible for the instruction of all new police recruits on the Standardized Field Sobriety Testing from the National Highway Traffic Safety Administration curriculum. He was also one of the first officers in the Commonwealth of Virginia to successfully complete the rigorous drug recognition expert certification process, which trained him to recognize impairment in drivers under the influence of drugs other than, or in addition to, alcohol. Additionally, MPO Aicher is lead instructor for the Virginia Department of Forensic Science on the EC/IR II breath instrument, educating officers from the entire state.
**NEW & NOTEWORTHY**

**VIRGINIA BEACH CELEBRATES READ ACROSS AMERICA DAY**

Virginia Beach GrowSmart and Virginia Beach Reads participated in Read Across America Day on Friday, March 2, with a community celebration including more than 5,400 children, 150 volunteer readers and 240 early care and education classrooms. City volunteers included Deputy City Managers Steven Cover and Tom Leahy, Economic Development Director Warren Harris and many of our Police, Fire and EMS first responders. Communications Office’s Multimedia Services (VBTV) came out to Kempsville Recreation Center to do a feature on the event and the importance of reading to children.

Read Across America Day kicks off National Reading Month and celebrates the joys of reading, encouraging community members young and old to pick up a book and read. It is one of GrowSmart’s community awareness events, which highlights the importance of reading on grade level as a critical milestone in a child’s educational and future life success.

**HUMAN SERVICES’ TRAINING ATTRACTS CROWD**

With behavioral health being at the forefront of conversation in the United States and Virginia Beach today, the Department of Human Services hosted a Children and Youth Mental Health Training on Friday, March 2, at the Advanced Technology Center. Participants learned about services within the city such as Emergency Services and Child and Youth Behavioral Health Services, and how to access those resources. The robust training was informative, engaging and well attended by community leaders and partners.

*Presenters included: Jim Thornton, Child and Youth Administrator; Aileen Smith, Behavioral Health and Developmental Services Director; Angela Hicks, Behavioral Health Administrator; and Cheryl St. John, Crisis Management.*
RESORT CITY RECEIVES IMPRESSIVE ONLINE MEDIA COVERAGE

Recent media coverage gave significant shout outs to Virginia Beach. In the first instance, USA Today featured Trip Advisor’s Top 25 Best Beaches in the USA and Virginia Beach was included. The Convention & Visitors Bureau shared this article on its social platforms and the post performed exceptionally well, reaching 31,780 people organically on Facebook; 10,817 people organically on Instagram and 29,607 people organically on Twitter.

On the heels of that coverage, Virginia Beach earned great placement on a story on Travel Channel online (UVPM: 897K) titled “Best U.S. Boardwalks.” Virginia Beach was listed alongside Santa Cruz, Coney Island, Ocean City, NJ, Hollywood Beach and Wailea.

UPCOMING EVENTS

- **HUMAN RIGHTS AWARDS CEREMONY:** The Virginia Beach Human Rights Commission will hold its 24th Annual Human Rights Awards Ceremony on Thursday, April 5 at 7 p.m. at the Virginia Beach Convention Center. Tickets can be purchased through Eventbrite at tinyurl.com/24HRCAWARDS. Tickets will not be sold at the door. Contact: (757) 385-1158.

- **STEVE EARLE & THE DUKES AT THE SANDLER CENTER:** Performing on Monday, May 21, Steve Earle & the Dukes with special guest, the Mastersons, will bring their 30th Anniversary of the Copperhead Road Tour to the Sandler Center for the Performing Arts. Tickets are on sale starting today at the Sandler Center box office, over the phone at 877-YNOTTIX or www.ynottix.com. Contact: Sandler Center, (757) 385-2787.

CITY IMPROVEMENTS/CLOSURES

- **PRINCESS ANNE ROAD:** Roadway improvements to Princess Anne Road, from White Oak Drive to Edwin Drive, began on Tuesday, March 6. All roadwork will be conducted at night from 7 p.m. to 5 a.m. Any work that needs to be done during weekday hours will take place from 9 a.m. to 3 p.m. Weather permitting, work is expected to be completed by March 30. Contact: Dennis Simon, (757) 385-1470.

ORDER TODAY: MEMORIAL PAVERS AT THE TIDEWATER VETERANS MEMORIAL PARK

Members of the Virginia Beach Mayor’s Veterans Committee are now taking orders for brick memorial pavers. Citizens can pay tribute to a veteran by having a brick paver placed in his or her honor at the William L. “Billy” Myers Sr. Veterans Memorial Park in time for this year’s Memorial Day ceremony in May. For more information and directions to place orders, visit VBgov.com. Contact: Joann Harkins, (757) 467-9367, or Stuart Myers, (757) 481-6513.
March 5, 2018 – Copy of an inter-office memorandum from City Auditor Lyndon Remias to Mayor Sessoms and City Council regarding his recommendation on the pier bids.

March 7, 2018 – Copy of a news release from the City of Virginia Beach titled, “City Rejects Bids on Pier Project, Reissues Invitation.”

Feb. 26, 2018 – Copy of a letter from Kathy Edwards, president/CEO of An Achievable Dream, regarding partnership with the Virginia Beach Police Department.

March 6, 2018 – Copy of an abstract with link to research paper from SSRN titled, “The Moral Hazard of Lifesaving Innovations: Naloxone Access, Opioid Abuse, and Crime.”

Virginia Beach Television (VBTV) Program Schedule | March 11 through March 17, 2018.
INTER-OFFICE MEMORANDUM

DATE: March 5, 2018

TO: The Honorable William D. Sessoms Jr., Mayor
Members of City Council

FROM: Lyndon S. Remias, City Auditor

SUBJECT: Substitute Resolution to Direct the City Auditor to Review and Assess the Pier Bids and Provide a Recommendation to the City Council

On Tuesday, February 20, 2018 City Council passed a resolution stating “The City Council hereby directs the City Auditor to assess the two proposals received and make a recommendation to City Council by March 27, 2018.” The results of our assessment and the associated recommendations are provided herein.

**Background**
The City received two bids in reply to a Public Notice requesting Bids for Lease of City Property with the specific intent that the “property would be used for the development of a new two-level fishing pier with restaurant, retail and entertainment on the upper level and a fishing platform on the lower level.”

One bid was from the Virginia Beach Development Authority (VBDA). The VBDA was established by the authority of the Virginia Assembly in 1964 in order to increase business investment and to expand the tax base in the state of Virginia. The VBDA is a component unit of the City of Virginia Beach; however, it is a legally separate organization.

The second bid came from Wool Service Supply and Logistics (WSSL), a Virginia Beach based private company. WSSL filed their Articles of Organization with the State Corporation Commission on November 1, 2017 and obtained a business license with the City of Virginia Beach effective November 30, 2017.

**Methodology**
As part of our assessment, we performed the following:

- Reviewed bids and supporting documentation
- Met with the City Manager, Deputy City Manager, City Attorney, Deputy City Attorney - Policy & Administration, and Senior City Attorney (serves as VBDA Attorney)
- Met with the President of WSSL
Honorable Mayor and Council Members
Subject: Substitute Resolution to Direct the City Auditor to Review and Assess the Pier Bids and Provide a Recommendation to the City Council
March 5, 2018
Page 2 of 3

• Reviewed all relevant and available pier project information
• Reviewed applicable sections of the Code of Virginia
• Performed public record search

Results:
All documents were reviewed and the bids are summarized below:

<table>
<thead>
<tr>
<th>Bidder</th>
<th>Annual Bid Amount</th>
</tr>
</thead>
<tbody>
<tr>
<td>1 Virginia Beach Development Authority</td>
<td>$1.00</td>
</tr>
<tr>
<td>2 Wool Service Supply &amp; Logistics</td>
<td>$12,000.00</td>
</tr>
</tbody>
</table>

Although it is clear that WSSL submitted the higher annual bid amount, the below Code of Virginia section applies:

§ 15.2-2102. How bids received and to whom franchise awarded.

The presiding officer shall read aloud, or cause to be read aloud, a brief summary of each of the bids that have been received, for public information, and shall then inquire if any further bids are offered. If further bids are offered, they shall be received. The presiding officer shall thereafter declare the bidding closed. The presiding officer shall receive recommendations from the staff relative to any bids received in advance and staff’s recommendations, if any, on any bids received at the advertised council meeting. After such other investigation as the council sees fit to make, the council shall accept the highest bid from a responsible bidder and shall adopt the ordinance as advertised, without substantial variation, except to insert the name of the accepted bidder.

However, the council, by a recorded vote of a majority of the members elected to the council, may reject a higher bid and accept a lower bid from a responsible bidder and award the franchise, right, lease or privilege to the lower bidder, if, in its opinion, some reason affecting the interest of the city or town makes it advisable to do so, which reason shall be expressed in the body of the subsequent ordinance granting the franchise, right, lease or privilege. The process described in this section may run concurrently with any other advertisement or public ordinance requirements of this title, or such requirements as may be contained in charters of such cities or towns.

Based on the above State Code Section, we performed due diligence to determine if the bidders are “responsible bidders”. Based on the inherent nature of the VBDA and past experience working on land leases to develop projects, due diligence work performed was focused on WSSL. Our review revealed the following:

---

1 The results discussed in this memorandum are the results of the requested assessment and not the results of an audit.
2 Although this lease bid does not fall under the Virginia Public Procurement Act (VPPA) the VPPA defines “responsible bidder” as “a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required”. 
• WSSL is a new company just formed in November 2017 and has no known experience in project development.

• In a written response to the city for additional information, WSSL President made it clear that WSSL is only submitting a bid to lease city-owned land; and thus, no other details on the pier project were provided.

• On February 28, 2018, the City Auditor met with the WSSL President and she confirmed that her company was only submitting a bid to lease city-owned land, and while some aspects of the company’s vision were shared, no details were provided. The WSSL President acknowledged while her company has some contracting experience, WSSL has no project development experience.

• In addition, a public records search revealed that the President of WSSL had several court judgments against her including Unlawful Detainers, Warrants in Debt, and several Garnishments.

This adverse financial history, along with the WSSL’s lack of project development experience, could lead one to conclude that WSSL does not have the capability to undertake a project of this nature.

Recommendations:
Based on the above, we recommend that the City Council:

1. Accept staff’s recommendation and proceed with the lease agreement with VBDA.

2. Finalize a Term Sheet.

3. Perform a thorough economic impact analysis using city staff or an outside third party.

Note: Although this was not an assessment of the bid process, due to some questions regarding the transparency of the bid process City Council should also consider opening back up the bid solicitation process.

Should you have any questions, please do not hesitate to contact me at 385-5872 or via e-mail at Lremias@vbgov.com.

City Rejects Bids on Pier Project, Reissues Invitation
New Bids Due May 14

VIRGINIA BEACH, Va. — March 7, 2018 — Citing concerns about the clarity of the information provided as part of the initial Invitation to Bid to lease public property on which the City would have constructed a public concrete pier, the City has decided to reject the two bids it received and re-advertise the opportunity.

The bid process the City used to advertise the lease is the exact process it has used numerous times over the years for leases of City property longer than five years. However, in most of those cases, terms outlining criteria and expectations for the project were identified prior to issuing the Invitation to Bid. That did not happen in this case and as a result, City Council has directed City Manager Dave Hansen to re-advertise the project using specific bid criteria and provide a better explanation of the project scope.

This news release initiates the advertisement period. Additional ads will be placed in The Virginian-Pilot over the next two weeks. The solicitation also will be posted to www.VBGov.com. This second round of sealed bids must be in writing and will be accepted until 5:00 p.m., Monday, May 14, 2018.

The City proposes to lease an area approximately 250 feet wide (north/south) extending from the eastern edge of the boardwalk to the eastern boundary of City-owned property in the Atlantic Ocean. The City will accept bids for any parcel of the specified size on the sandy beach between 5th and 40th streets at the Oceanfront. The term of the proposed lease will not exceed 40 years.

Said parcel shall be used for the construction of a new concrete pier. The City is pursuing the construction of a pier as part of the bidder’s larger development that will create a new destination at the City’s resort and provide new amenities for tourists and residents of the City. The important elements that will be considered by the City in evaluating the bid include:

-more-
Bidders may make proposals either as a direct tenant or may propose a structure in which the City of Virginia Beach Development Authority (VBDA) is the tenant and the bidder is a sub-tenant. For information about the VBDA’s participation, contact Warren Harris, Economic Development director, (757) 385-6464.

A connection from the new pier to Atlantic Avenue, coordinated with adjacent landowners, sufficient to allow pedestrian access from Atlantic Avenue, across the boardwalk and onto the new pier.

A new pier of at least 880 feet in length (measured from the boardwalk) designed to accommodate fishing and pedestrian use. The City will consider paying up to $21.5 million for the pier structure.

At a minimum, the City expects private development of entertainment, restaurants and retail amenities as part of the overall project sufficient to justify the public investment.

A plan to operate the new pier in a manner to provide free public access to the end of the pier and fishing from the pier for a fee.

New parking spaces within three (3) blocks of the new pier sufficient for the uses on the new pier and any associated development proposed. The City will consider paying up to $3.5 million for the construction of public parking, in addition to that provided by developer.

The City will consider a request for TDFP (“Gap”) financing.

The City expects associated private development adjacent to the new pier sufficient to maximize and justify the public investment. Favorable consideration will be given to proposals demonstrating a return on the City’s investment within eight years.

The ability of the bidder and its team to successfully deliver on the elements of its proposal. Past development experience will be favorably considered.

Sealed, written bids should be delivered to Public Works/Facilities Management Office, Attn. Barry Shockley, 2424 Courthouse Drive, Room 228, Virginia Beach, VA, 23456. Bids shall be opened at the informal meeting of City Council on May 15, 2018 and summaries of the bids shall be read by the presiding officer at the regular meeting of the City Council in the Council Chambers, City Hall – Bldg. 1, Virginia Beach Municipal Center, on May 15, 2018, at 6:00 p.m. After the reading of bid summaries, at a subsequent meeting, Council will obtain public comments on the proposed lease and any attendant sublease. The right to reject any and all bids is hereby expressly reserved.

###
February 26, 2018

The Honorable Will Sessoms  
Mayor, City of Virginia Beach  
240 Courthouse Drive, Building #1  
Virginia Beach, VA 23456

Dear Will,

Since 2013 when our partnership with Virginia Beach City Public Schools began, the Virginia Beach community has embraced our program and our mission. Thanks to your leadership and belief in our program, your colleagues throughout the City have supported An Achievable Dream on so many levels.

Chief Jim Cervera has been a strong advocate since the very beginning, too. Lee and I met with Jim and two of his officers this morning to discuss our partnership with the Police Department as our students progress to 6th grade next year at Lynnhaven Middle School. Ever since Jim toured our schools in Newport News, he has talked about AAD partnering with his department when our students reach middle and high school. He is a man of his word.

In addition to officers greeting our students and participating in the daily morning program, Officer Will Gervin, who we also met this morning, will join our Community Advisory Board—a group of citizens from the Seatack community who advise us on a broad range of community and school developments.

We also discussed officers participating in our “What It Takes” curriculum that exposes students to different careers and brings real world anecdotes to the classroom to make what they are learning more relevant.

We are so excited about our partnership with our Virginia Beach community. Together, our collective dream continues to gain traction and more and more people are sharing the vision for our children’s future. I just wanted you to know and be excited with us.

All my best,

Kathy Edwards  
President/CEO

cc: Chief James Cervera  
Dr. Lee Vreeland
Attached is the abstract and the link to the paper on naloxone I referenced yesterday. Millicent, Dave may want to put the abstract in the CM Update.

Thanks,
Steve

The Moral Hazard of Lifesaving Innovations: Naloxone Access, Opioid Abuse, and Crime

67 Pages Posted: 6 Mar 2018

Jennifer L. Doleac

University of Wisconsin - Madison - School of Business

Date Written: March 6, 2018

Abstract

The United States is experiencing an epidemic of opioid abuse. In response, many states have increased access to Naloxone, a drug that can save lives when administered during an overdose. However, Naloxone access may unintentionally increase opioid abuse through two channels: (1) saving the lives of active drug users, who survive to continue abusing opioids, and (2) reducing the risk of death per use, thereby making riskier opioid use more appealing. By increasing the number of opioid abusers who need to fund their drug purchases, Naloxone access laws may also increase theft. We exploit the staggered timing of Naloxone access laws to estimate the total effects of these laws. We find that broadening Naloxone access led to more opioid-related emergency room visits and more opioid-related theft, with no reduction in opioid-related mortality. These effects are driven by urban areas and vary by region. We find the most detrimental effects in the Midwest, including a 14% increase in opioid-related mortality in that region. We also find suggestive evidence that broadening Naloxone access increased the use of fentanyl, a particularly potent opioid. While Naloxone has great potential as a harm-reduction strategy, our analysis is consistent with the hypothesis that broadening access to Naloxone encourages riskier behaviors with respect to opioid abuse.

The Rotary Club of Cape Henry officially announces Judy Cocherell as District Governor Designate for the 2020-2021 Rotary Year.

Judy Cocherell
District Governor Designate,
Rotary Year 2020 - 2021

VIRGINIA BEACH, VA, MARCH 2, 2018 - The Rotary Club of Cape Henry is proud to officially announce Judy Cocherell has been appointed District Governor Designee during the 2020-21 Rotary Year. She will serve the 62 clubs within Rotary District 7600.

Judy’s impressive list of appointments and accomplishments not only with Cape Henry Rotary but District 7600 to date made the selection process easy for her tenure. Judy’s work embodies Rotary International
causes and principles with “Service above Self” and the Cape Henry addition of ACTION + FUN. Judy’s enthusiasm and support of key events like the Oyster Crush Charity Fundraiser have provided a model for all club members. We hope you join us in applauding this milestone.

**Biography:** Judy joined the Rotary Club of Cape Henry in 1994. She served the club as President in 2004-2005 as well as 2015-2016. She served as Area Governor both in 2005-2007 and from 2016-2018. She has been Cape Henry Social Chairman for 20 years and is currently Membership and Club Service Director for Cape Henry. Judy has been involved in District Events for many years. She was District Conference Co Chair in 2008 and is the 2018 Conference Chair. She was the 2010 District Assembly Chair. She has participated in two District Friendship Exchanges both to England (2008) and to Germany (2011). She is a Paul Harris Fellow Plus 8 and a Major Donor. She has received the Rotary International Avenues of Service Award in 2006. She was Cape Henry Rotarian of the Year in 2000 and 2011.

Judy was born in Portsmouth, Virginia and moved to Birmingham, Alabama for high school and college. She attended Auburn University where she graduated with honor. She taught school for a number of years in the elementary school and received a MA in Elementary Education in Reading from University of Alabama in Birmingham. She was both a Title 1 Reading Teacher and a Reading Resource Teacher.

She spent the next 7 years in Pharmaceutical Sales calling on Physicians and Hospitals in the Tidewater Area. Her parents owned a Real Estate Company so she decided to use her sales abilities in Real Estate. Judy has been in the Real Estate Industry over 30 years both as a Broker Associate and as a Managing Broker. In 1992 she received an Executive MBA from William and Mary College where she became a member of the Beta Gamma Sigma Business Honorary.

She is presently selling Real Estate for Howard Hanna William E. Wood in Virginia Beach. Judy has served three terms as a Director of the Hampton Roads Realtor Association, one year as Director of Virginia Association of Realtors, and four years on the Sales Manager’s Advisory Board for the MLS, including two as the Chair. She is a Past Member of the Bays Edge Condominium Board and served as Vice President. She is a Past Board Member of the William and Mary Southside Alumni Association.

Judy has two grown daughters (who are both Paul Harris Fellows), and two grandchildren. She enjoys reading, traveling, cooking, and spending time with her family and her Bichon, Louis Vuitton. She enjoys Rotary activities and is active in a local bookclub.

We hope you will join us in congratulating Judy Cocherell as District Governor Designate for the Rotary year 2020-2021. Judy is a Person of Action.
