VBPD PARTNERS WITH COMMUNICATIONS OFFICE ON NEW COLD CASE PROGRAM

The **Virginia Beach Police Department's Cold Case Unit** has partnered with the **Communications Office** to produce **Virginia Beach Cold Case Files**, a new video series, to help

solve perplexing disappearances, tragic murders and unsolved crimes. By engaging the public, the department hopes to shed new light on cases that have stalled due to lack of evidence and ultimately help victims and their families gain closure and justice.

The first episode of [Virginia Beach Cold Case Files](#), “**What Happened to Barbara Jean?**,” debuted Thursday, Aug. 27. Barbara Jean Monaco was just 18 years old when she came to Virginia Beach with her sister and friends on vacation. One night, she headed to a night club alone and vanished. This week was the 42nd anniversary of her disappearance.

The series is available to watch on multiple City platforms, including:

KEVIN CHATELLIER SELECTED AS DIRECTOR OF BUDGET AND MANAGEMENT SERVICES

Kevin Chatellier has been selected as director of **Budget and Management Services**, replacing former Budget Director David Bradley, who was appointed deputy city manager for infrastructure earlier this year. Kevin began his career as a management and budget analyst with the City in 2008 and was promoted to a senior analyst in 2014. He was promoted to Budget and Management Services administrator in 2017 and named acting co-director of the department in September 2019.

STAFF BEGINNING WORK TO RENAME EMS HEADQUARTERS IN HONOR OF FORMER EMS CHIEF

You don't need to be a resident of Virginia Beach very long before you hear about the impressive **Emergency Medical Services** and Virginia Beach's volunteer rescue squads. When **Chief Emeritus Bruce Edwards** passed away Saturday morning, Aug. 22, at the age of 72, stories of his stewardship of EMS started flowing. It became clear that he earned Council's honor of having the building named for him. Staff has begun the work on the signage and plan for the Bruce W. Edwards Virginia Beach Emergency Medical Services Headquarters and Training Center. We will update you on progress.

Bruce joined the Ocean Park Volunteer Rescue Squad in 1967. By 1973, he became the executive director of the Emergency Coronary Care Program, leading an effort to deploy the first volunteer Advanced Life Support providers in Virginia. In 1975, he became the coordinator of the newly created Office of EMS. Bruce was named chief of the Department of EMS in 1984, serving for 32 years and laying the foundations for the effective organization that it is today.

Chief Edwards was actively involved in regional and state EMS activities, taking the lead in creating many of medical control and regulatory systems we rely on every day. In addition to multiple tours on the EMS Governor's Advisory Board, he ultimately served as the chairman of the Virginia Board of Health. Bruce was promoted to chief emeritus in 2016, where he remained active as an advisor and mentor over the last four years, making him the longest serving member in the history of VBEMS.
