CITY COUNCIL AND PROJECT TEAM TAKE VB SPORTS CENTER ACROSS THE FINISH LINE

On budget and ahead of schedule, the new **Virginia Beach Sports Center** had its ceremonial opening Oct. 1. My thanks to the Mayor and City Council as well as the project team for delivering this incredible new addition to our city. With 54 events already booked for year one—including 39 that are new to the market, it is clear that sports tourism is a key to growing into a year-round destination and expanding our revenue base.

The excitement of those in attendance could not be masked by the mandatory face coverings and social distancing on site. Each guest was treated to a guided tour of the facility in groups of 20. Sports center employees stationed throughout the facility provided building and booking details at each stop.

Construction of the \$68 million sports center began in August 2018. The 285,000-square-foot facility, designed by Clark Nexsen and constructed by MEB General Contractors, Inc., is the only venue of its kind on the east coast not on a college or university campus. It houses a 200-meter indoor hydraulically banked track, 12 basketball courts that can be converted into 24 volleyball courts, multiple concession areas, digitally enhanced meeting rooms, contemporary event space and seating for up to 5,000. The new facility is managed by ESM VBSC, LLC.

The Virginia Beach Sports Center is located at 1045 19th St., across from the Virginia Beach Convention Center and less than a mile from the oceanfront. Visit vbsportscenter.com for more information.

COVID-19 UPDATES & RESOURCES

DEADLINE TO APPLY FOR REAL ESTATE AND PERSONAL PROPERTY TAX RELIEF PROGRAM EXTENDED TO OCT. 31; DEADLINES APPROACHING FOR OTHERS

The deadline for the Real Estate and Personal Property Tax Relief Program has been extended to Saturday, Oct. 31 and other relief programs have applications deadlines approaching. Please visit emergency.vbgov.com/coronavirus#money for details about each program, including criteria, eligibility and applications.

Business Assistance Grants: Applications are accepted through Oct. 12. To encourage businesses to continue their operations and help mitigate the negative impacts of the pandemic, these grants are intended to provide immediate financial relief for expenses already incurred.

Real Estate and Personal Property Tax Relief Program: Applications are now accepted through Oct. 31. The program provides direct relief for households where an occupant has lost their employment, had their work hours reduced or has been furloughed due to COVID-19. Any impacted household, whether they have paid their tax bill or not, can apply if they meet the eligibility requirements. For more information, including necessary documents for proof of eligibility and applications, visit VBgov.com/COVID19TaxRelief.

Arts & Cultural Organization Relief Grants: Applications will be accepted through Nov. 15 and reviewed on a rolling basis until funding has been expended. This program provides grant assistance to qualified arts and cultural 501(c)3 non-profit organizations for immediate financial relief for unforeseen expenses due to the global health emergency.

City Services Bill Pandemic Relief Program: Still available and provides financial assistance to qualifying residential customers who need assistance for solid waste collection, storm water, sanitary sewer and water services charges. Visit VBgov.com/CSPandemicRelief for eligibility requirements and to apply.

Short-Term Mortgage Assistance: Still available and provides eligible households with assistance to help prevent foreclosure of low- and moderate-income homeowners in Virginia Beach who have experienced loss of employment income due to COVID-19. Residents must complete a quick, online questionnaire available at VBgov.com/mortgageassistance to see if they meet the initial screening criteria.

The emergency.vbgov.com/coronavirus site is our information hub for resources, links and news related to our COVID-19 response.

NEW & NOTEWORTHY

REFINANCING SAVES TAXPAYERS MILLIONS OVER 16 YEARS

The City of Virginia Beach has saved taxpayers \$2.6 million by refinancing \$16.7 million in bonds, stormwater rehabilitation, roadway coordination and neighborhood projects. The City's strong credit rating of AAA and Aa1 on its Stormwater Utility system made the savings possible.

A Bond Resolution authorizing the distribution of the Preliminary Official Statement in connection with the issuance of Storm Water Utility Revenue Bonds, Series 2020A and 2020B in the maximum amount of \$107.5 million, comprised of up to \$90 million for new money and \$17.5 million for refunding was approved by City Council on Sept. 1. Last week, the City sold a total of \$91.5 million comprised of \$77.4 million in new money and \$14.1 million in refunding Storm Water Utility Revenue Bonds. The refunding resulted in present value debt service savings of \$2.6 million over the remaining 16-year term of the refunded bonds, or 15.4% of the refunded bonds.

Seven electronic bids were received from various investment banking, securities brokerage and financial services firms on the Storm Water Utility Revenue and Refunding Revenue Bonds. The bonds were awarded to Wells Fargo Bank, National Association at a true interest cost of 1.945895% – lowest rate ever for City's Storm Water new money and refunding bonds. Maintaining strong credit ratings allows the City to receive the lowest rates, which in turn saves the taxpayers money.

VIRGINIA BEACH JOINS NATIONAL TRIBUTE TO FALLEN FIREFIGHTERS

Every October, the National Fallen Firefighters Foundation sponsors the **National Fallen Firefighters Memorial Weekend**, the official national tribute to firefighters who died in the line of duty during the previous year. To kick off NFF Memorial Weekend, Fire Departments and municipalities across the nation will light up select facilities in red to honor the fallen and **"Light the Night"** this weekend. Virginia Beach and the **Virginia Beach Fire Department** will participate in this annual event by lighting the Emergency Operations Center (Bldg. 30) in red light Friday through Sunday night. At the Oceanfront, King Neptune will be illuminated in red on Saturday and Sunday night. Citizens can also show their support by putting a red light bulb in the porch light at home to honor our fallen firefighters. For more information on this nationwide event, visit www.firehero.org/events/memorial-weekend/about/light-night-fallen-firefighters.

NEW PERFORMANCE POETRY PROJECT INVITES STUDENTS TO ENGAGE WITH ALUMNI FROM FIRST HIGH SCHOOL FOR AFRICAN AMERICANS IN VIRGINIA BEACH

The **Virginia Beach History Museums** is partnering with the Princess Anne County Training School/Union Kempsville High School Alumni and Friends Association and Teens with a Purpose for the **ImmortALL: Performance Poetry Project**, which pairs local African American history with the lively art of performance poetry.

Virginia Beach teens age 13-19 will connect with alumni from PACTS/UKHS, as well as professional poets from TWP, in monthly online and small in-person sessions from October 2020 through April 2021. Teens will engage with alumni from the classes of 1943-1969, visit and view footage from the VBHM's Princess Anne County Training School/Union Kempsville High School Museum and attend TWP performance poetry workshops. They will also re-interpret local oral history through the lens of their own experiences with current events. ImmortALL: Performance Poetry Project will tentatively conclude in spring of 2021 with a final public performance

PACTS/UKHS alumni will begin the program with **My Story, Our Story**, a two-part online presentation, at noon on Oct. 10 and Oct. 17. The conversations will be the foundation from which the teens will eventually create their performance poetry. Once per month from November through April, teens will have an opportunity to attend TWP's limited, socially distanced performance poetry workshops (locations TBD) or attend online via Zoom sessions. Poetry workshops will help students explore the stories shared by alumni, as well as their own experiences. This will help work towards a goal of immortalizing the ideals and history of the community that built PACTS/UKHS while sounding the call for further understanding, equity and social change.

All interested teens can register now to participate in this unique retelling of local African American history. Teens and their parents/guardians can download registration forms and learn more about this free program at museumsvb.org or TWPTTheMovement.org.

THREE PROPERTIES ADDED TO THE VB HISTORICAL REGISTER

The **Virginia Beach Historic Preservation Commission** recently added three properties to the **Virginia Beach Historical Register**: Winston Cottage (205 23rd Street), Musick Mansion (209 59th Street) and Church Point Manor (4001 Church Point Road).

The **Winston Cottage** is a traditional beach cottage built in 1926 by Henry and Agnes Winston. Historically it was used by the Winston's as a single-family home with an upstairs apartment. Additional bedrooms were added to the house in the 1940s. Agnes Winston lived in the cottage into the 1990s. The building has been adaptably reused as a restaurant (Tautogs).

The **Musick Mansion** is a Colonial Revival style home built in the mid-1930s with a dune top view of the Atlantic Ocean. The builder is unknown, but the Musick family lived there from the 1940s to the 1960s. It has cedar shake siding and interior pine paneling. The entrance foyer features a curved staircase with original balustrade. Its grand front portico with open second story and Chippendale railing is a visually distinguishing feature.

Church Point Manor was built circa 1860 by G.G. Garrison. The property eventually became part of the adjacent Bayville farm. It is a vernacular Victorian farmhouse constructed of brick with Italianate detailing. A large, but visually separate, addition was added in the 1990s and the house was converted into a bed and breakfast operation. Guests included President Barack Obama and Ambassador Caroline Kennedy. It is currently a private residence.

Created in 1999, the Virginia Beach Historical Register recognizes historic buildings in Virginia Beach that are important to our local heritage. Property owners must apply for their building to be considered for listing, which is honorary and does not provide any protections or restrictions. There are currently 78 historic properties listed in the Register. Information and applications are available online at VBgov.com/historicpreservation. The program is administered by the **Planning and Community Development Department** and the Virginia Beach Historic Preservation Commission. Contact: Mark Reed, (757) 385-8573.

OLD CAPE HENRY LIGHTHOUSE REOPENS TO PUBLIC

The Old Cape Henry Lighthouse reopened to the public today, having been closed to the general public since March due to the COVID-19 pandemic. The lighthouse will be open seven days a week from 10 a.m. to 5 p.m. General admission is \$10 for adults, \$9 for seniors, military and AAA members, \$8 for students and free for children under 42 inches tall. General admission includes access to the lighthouse's new "visitor plaza" at the base of the tower. Climbs of the lighthouse tower itself are limited in availability and are included in a combination ticket at \$14. To aid in social distancing and allow for cleaning in between groups, climbs of the tower must be reserved online at www.preservationvirginia.org/tickets.

THOUGHT OF THE WEEK

ATTACHMENTS

- ◆ Virginia Beach Television (VBTV) Program Schedule | Oct. 4 through Oct. 10, 2020.

VIRGINIA BEACH TELEVISION

Cox Cable Channels 46, 47 & 48
Verizon Cable Channels 46, 47 & 45

PROGRAM SCHEDULE

OCTOBER 4 – OCTOBER 10, 2020
