CONFIRMATION ORDER

Pursuant to Va. Code §§ 20-88.71 through 20-88.73, the request for registration of the above-mentioned non-Virginia support order is:

Confirmed on court motion following the failure of the non-registering party to contest the validity or enforcement of such registered order within twenty (20) days of mailing or personal service of notice of registration.

Confirmed following a hearing for the purposes of

enforcement

modification.

Not confirmed because:

the issuing tribunal lacked personal jurisdiction over the contesting party;

the order was obtained by fraud;

the order has been vacated, suspended, or modified by a later order;

the issuing tribunal has stayed the order pending appeal;

there is a defense under the law of this Commonwealth to the remedy sought;

full or partial payment has been made;

the statute of limitations under § 20-88.69 precludes enforcement of some or all of the arrearages; or

the alleged controlling order is not the controlling order.

It appears to the court that the contesting party has presented evidence establishing a full or partial defense; therefore, enforcement of the registered support order is stayed, and the proceeding is continued to permit production of additional relevant evidence. It is further ordered as follows:
