City of Virginia Beach – Job Description
Date of Last Revision: 03-05-2020

FLSA Status: Exempt    Pay Plan: Administrative    Grade: 7

City of Virginia Beach Organizational Mission & Values
The City of Virginia Beach exists to enhance the economic, educational, social and physical quality of the community and provide sustainable municipal services which are valued by its citizens. The City of Virginia Beach organization is based upon a belief in the democratic process of government. This belief provides meaningful ways for citizens, reflecting the diversity of our City, to contribute to the development of public policy. This process is enhanced by organizational values which guide member performance within the Virginia Beach Quality Service System. These Values define our desired organizational culture. We value quality customer service; teamwork; leadership and learning; integrity; commitment; and inclusion and diversity.

Class Summary
Conduct routine research, analysis, development, and summarization of financial information for independent audit purposes and financial reporting and perform the financial administration and reporting of routine federal and state grants.

Representative Work Functions and Responsibilities
Research, analyze, and summarize various financial records to develop routine financial reports such as certain federal census bureau surveys, interim financial statements for City Council, uniform financial reporting transmittal forms required by the Commonwealth of Virginia Auditor of Public Accounts, financial statements and statistical tables within the Comprehensive Annual Financial Report, and other financial reports for external entities.

Develop worksheets and research and analyze financial documents and records to develop schedules and working papers on such financial information as depreciation and loss on dispositions on office equipment and machinery of proprietary funds, assets under capital leases, real estate and personal property tax assessed value and net levy, present value and imputed interest computations, and other such financial data for independent auditors, City Council, and city departments.

Perform the financial administration and reporting of routine federal and state grants which includes the monitoring of grant expenditures and revenues and ensuring compliance with prescribed grantor requirements; communication with grantor agencies and grantee departments on federal and state guidelines and procedures, contracts, budget amendments, awards, compliance with legal, administrative, and budgetary requirements, and the research, development, and summarization of financial information for reporting to grantor agencies and reimbursement requests.

Perform other job duties requiring skills, knowledge and physical requirements as demanded by those duties described or less. Individual assignments will be determined by the supervisor based on then current workloads and department needs.

Performance Standards
Expeditiously and effectively conduct routine research, analysis, development, and summarization of financial information; accurately and diplomatically communicate with grantor agencies and grantee departments both orally and in writing on specific inquiries and with other city departments and staff in
This description is intended to indicate the kinds of tasks and levels of work difficulty that will be required of positions that will be given this title and shall not be construed as declaring what the specific duties and responsibilities of any particular position shall be.
