24	\$ 29		50
25	\$ 28		51
26	\$ 27		52
Total Savings:		\$	1,378.00

How the Challenge works: Start by saving \$1. Each week increase the amount that you save by \$1. At the end of the year you will have saved \$1,378!

Reverse the Challenge: Start by saving \$52. Each week reduce the amount you save by \$1. At the end of the year you will have saved \$1,378!
