

How COVID-19 is impacting Virginia Beach Parks & Recreation: FAQ

Last updated 10.6.2020

Virginia Beach Parks & Recreation Administration Building is currently closed to the public. If you cannot find the answer to your question below, please email fun@vb.gov.

REC CENTERS

When will the recreation centers reopen?

As of July 6, all seven recreation centers have reopened with some restrictions. Currently, the centers are only available to members and reservations are required. [For detailed information pertaining to use of the rec centers, please review the Rec Center Reopening FAQ that can be found at \[VBgov.com/reopen\]\(http://VBgov.com/reopen\).](#)

Do I have to pay for my membership for the time the rec centers were closed?

We automatically extended rec center memberships to compensate for the days that we were closed through the end of July 2020.

How do I renew or purchase a new membership?

As of Sept. 8, memberships will be available for purchase/renewal both online and over the phone. For more information, visit VBgov.com/reopen or call your recreation center.

How do I access my recreation center online account to make a reservation?

[Login HERE](#)

Helpful tips:

- *If you successfully access your account, no further action is needed.*
- *If you don't remember your password, select 'Forgot Your Password' and follow the prompts to gain access.*
- *If you have haven't logged in to the system before, try entering your email as your login name. Then, select the 'Forgot your Password' link from the login screen to retrieve a temporary password via email to access your account.*
- *Do not create a new account. All current memberships are associated with an online account even if you have not activated/accessed the account previously. Consequently, creating a new account would not be associated with your membership and will not allow you to make reservations.*

If you do not have an email on file with us, please call any recreation center for assistance.

When will programming begin again?

Programming is being evaluated and resumed on a program-by-program basis factoring in safety criteria, space availability, staffing levels, and guidance from the state on allowable activities. As programs are made available again, we will make those announcements on our Facebook page and website.

- *Swim lessons resumed at a reduced capacity and with added safety precautions for members only on July 27. Registration is available online.*

CHILDCARE/ Out-of-School Time Programs

School Year Childcare Programs – Parks & Recreation Safe Learning Centers (SLC)

We know that securing childcare for the school year is important to many working parents. Virginia Beach Parks & Recreation in partnership with VBCPS offered Safe Learning Center programs at a designated number of VB elementary schools while schools were in the virtual learning period. With students returning to in-person instruction, we are transitioning back to our normal before and after school programs. We are also offering “break camps” for the Monday asynchronous learning days. For information on eligibility and registration, visit VBgov.com/childcare.

Early Childhood Programs:

Registration for the school year began on August 12. If you are interested in registering your child for our licensed Early Childhood Programs located at Bow Creek, Kempsville, Princess Anne, and Williams Farm, please download and complete the required forms at VBgov.com/childcare and email them to ostregistration@vbqov.com. Our staff will then contact you with next steps.
