

# VIRGINIA BEACH PARKS AND RECREATION PRIVATE SWIM LESSONS

Please note the following terms applicable to private swim lessons:

## **PAYMENTS & REFUNDS**

Private lessons are non-refundable and non-transferable. Lessons must be used within 6 months of the date purchased. Payment must be made 24 hours prior to the first lesson. Refunds will not be given for missed lessons, cancelled lessons (with less than 24 hours' notice) or unused lessons. Lessons that have been scheduled but not yet paid for will result in a balance due being placed on your account.

## **MAKE UP LESSONS & RESCHEDULING**

Make up lessons may be scheduled if notification of an absence is made at least 24 hours in advance. Rescheduling of lessons must be made through the recreation center and confirmed with the instructor.

## **SAFETY**

Please do not enter the water until the instructor is present and ready to begin the lesson. Parents are asked to remain in the viewing area during lessons unless their presence is requested by the instructor.

## **AT THE LESSON**

A membership or day pass is required to access the center. Proper swim attire must be worn in the pool area. If your child is not potty trained, an approved swim diaper and plastic pants are required. Your instructor will be waiting for you inside the pool area. Please feel free to discuss details about the lesson with the instructor.
