

WildLife on the Line

Free! Registration required

Join us

Introducing a brand new service project aimed at giving back to the wildlife community. This **land-based cleanup** will take place around the water's edge at two of our premiere park locations. Not only are these two areas some of Virginia Beach's most popular areas for fishing, but they also **provide a significant habitat for waterfowl and migratory birds**. Volunteers will navigate the wooded and grassy shorelines removing discarded fishing line and debris from waterways and surrounding areas to help prevent wildlife entanglement and endangerment. All supplies will be provided. Ages 17 and younger must be with an adult.

Where

Stumpy Lake Natural Area

(4797 Indian River Road) | **Friday, January 28 | 1 pm - 3 pm**

Lake Lawson/Lake Smith Natural Area

(5381 Shell Road) | **Sunday, January 30 | 1 pm - 3 pm**
