***DIRECTIONS TO EVENT PARKING-MARLIN BAY DRIVE***

**From Northampton Blvd. to Shore Drive:** Traveling from Northampton Blvd (US-13), exit onto US-60 E/Shore Drive (the exit south of Chesapeake Bay Bridge Tunnel). Continue 1.1 miles on Shore Drive and turn right onto Marlin Bay Drive. Follow Marlin Bay Dr down, where the natural areas will be on your right and houses on the left. You may parallel park along either side of the road. Parking is allowed there daily until 11:00pm. Walk the foot path at the end of Marlin Bay Drive through the woods along the white light poles (about a 5 minute walk) to the Brock Center.

**From I-264 & Great Neck Road:** Traveling north on Great Neck Road (Route 615) to US-60 W/Shore Drive, turn west onto Shore Drive continuing over the Lesner Bridge to signal light for Marlin Bay Drive (Approximately 1.8 miles). Turn left onto Marlin Bay Drive. Follow Marlin Bay Dr down, where the natural areas will be on your right and houses on the left. You may parallel park along either side of the road. Parking is allowed there daily until 11:00pm. Walk the foot path at the end of Marlin Bay Drive through the woods along the white light poles (about a 5 minute walk) to the Brock Environmental Center.

**ADA Parking:** There are three handicapped parking spaces by the main entrance and 1 in the paver parking lot. From Marlin Bay Dr, turn left to round the sharp curve. Take an immediate right onto Chesterfield until you see the brick paver lot on your right. Drive up the paver parking area, and the ADA spaces are adjacent to the entrance of the building. Drop-offs are welcome at the ramp.

**\*\*NOTE: Event guests NOT PERMITTED to park in the Paver Parking Lot unless ADA spaces are full.**
