PLANNING AND COMMUNITY DEVELOPMENT

Consultants, Builders and Developers Notice #2018-11-13

November 13, 2018

Dear Planning & Community Development Customer,

Following the retirement of Nancy McIntyre, the Department of Planning & Community completed the recruitment and selection process for the next Development Services Center Coordinator. Please join me in congratulating Ms. Carrie Bookholt, PLA on her selection to lead the Development Services Center! Carrie has been an asset to this department and the City of Virginia Beach since she began working with us in January, 2012 and has been serving as the Interim Development Services Center Coordinator since July 1, 2018. Her diverse background in both the private and public sectors affords her perspective to all facets of the design, plan preparation and review process, which will prove invaluable in this position. There is no doubt in my mind that Carrie's continued dedication and commitment to excellent customer service will continue to enhance the operations and services of the DSC.
