DSC Information Notice #185

December 6, 2011

Topic: Revision of the Virginia Work Area Protection Manual

Background

The Virginia Department of Transportation has published a complete revision of the *Virginia Work Area Protection Manual*, effective January 1, 2012. The revised Manual is identified as the 2011 Edition and is available at the following website:
http://virginiadot.org/business/resources/wztc/Virginia_WAPM_2011_web.pdf.

This 2011 Edition of the manual replaces the previous issue of the *Virginia Work Area Protection Manual*, dated May 2005.

Effective Date: January 1, 2012

All new development plans or plans associated with any type of permit that include traffic control submitted to either the Development Services Center or Permits and Inspections after January 1, 2012, must include traffic control details and notes from the revised 2011 Manual.
