Evaluation and Recommendation

The proposed Conditional Use Permit request for a Family Day-Care Home, in Staff’s opinion, is consistent with the Comprehensive Plan’s land use policies for residential areas, as it will provide a valuable service for families in the Suburban Area. To alleviate the potential for congestion of client parking in the right-of-way, Staff recommends a condition to stagger pickup and drop off times.

For the reasons stated above, Staff recommends approval of this application, subject to the following conditions.

Recommended Conditions

1. Arrival and departure times shall be staggered to avoid vehicular congestion.
2. The Family Day-Care Home shall be limited to a total of twelve (12) children, other than children living in the home.

3. The applicant shall maintain a license for the in-home daycare operation with the Commonwealth of Virginia, Department of Social Services.
4. No more than one (1) person, other than the applicant, shall assist with the operation of the family day-care home at any one time.
5. Any sign identifying the Home Occupation shall be non-illuminated, not more than one (1) square foot in area and shall only be mounted flat against the residence.
6. The applicant shall obtain all necessary permits and inspections from the City of Virginia Beach. Prior to operation, the applicant shall obtain a Certificate of Occupancy from the Building Official's Office for use of the house as a Family Day-Care Home.

Further conditions may be required during the administration of applicable City Ordinances and Standards. Any site plan submitted with this application may require revision during detailed site plan review to meet all applicable City Codes and Standards. All applicable permits required by the City Code, including those administered by the Department of Planning / Development Services Center and Department of Planning / Permits and Inspections Division, and the issuance of a Certificate of Occupancy, are required before any uses allowed by this Use Permit are valid.

The applicant is encouraged to contact and work with the Crime Prevention Office within the Police Department for crime prevention techniques and Crime Prevention Through Environmental Design (CPTED) concepts and strategies as they pertain to this site.

Comprehensive Plan Recommendations

The Comprehensive Plan recognizes this property as being within the Suburban Area. Guiding principles have been established in the Comprehensive Plan to guard against possible threats to the stability of the Suburban Area and to provide a frame work for neighborhoods and places that are increasingly vibrant and distinctive. The Plan's primary guiding principle for the Suburban Area is to create "Great Neighborhoods," and to support those neighborhoods with complementary non-residential uses in such a way that working together the stability and sustainability of the Suburban Area is ensured for now and the future.
