Background & Summary of Proposal

Site Conditions and History

- This is a 5,000 square foot parcel zoned R-5D Residential.
- City records indicate this single-family dwelling was built in 1986.
- Staff inspected the site on July 9, 2020 to observe site conditions and take photographs for this report.
- On-street parking is permitted 24-hours per day, therefore any overflow parking beyond the minimum parking spaces required could occur within the public street.
- No record of zoning violations relating to Short Term Rental use were found associated with the subject address.
- The applicant has not responded with agreement or disagreement to City Council’s recently imposed conditions reducing the number of bookings in a seven day period to one and limiting the overnight guest calculation to two per bedroom.

Short Term Rentals in the Vicinity

Evaluation & Recommendation

The applicant is requesting a Conditional Use Permit for a Short Term Rental for a three bedroom single-family dwelling located in the Redwing Subdivision. The Redwing Subdivision consists of single-family dwellings. Short Term Rental use has not proven to be common in the neighborhood or surrounding area and staff is not aware of other Short-Term rentals in close proximity to this unit. Three on-site parking spaces are required. All three spaces are accommodated on-site, two in the driveway and one in the garage. The Zoning Administrator has reviewed this alternative parking plan and deemed is acceptable. Staff believes that all other requirements of Section 241.2 of the Zoning Ordinance pertaining to Short-Term Rentals can reasonably be met.

Staff recommends approval of this request with the conditions listed below; however, the recommended conditions do reflect City Council’s Short Term Rental revisions by reducing the number of bookings in a seven day period to one and limiting the overnight guest calculation to two per bedroom.

Recommended Conditions

1. The following conditions shall only apply to the dwelling unit addressed as 1305 Chickadee Lane, and the Short Term Rental use shall only occur in the principal structure.

2. Off-street parking shall be provided as required by Section 241.2 of the City Zoning Ordinance or as approved by City Council.
3. The garage space within the unit must remain a minimum of 9-feet by 18-feet, contain a minimum 8-foot wide vehicle entryway opening, and shall remain free of materials to ensure vehicular accessibility to the Short Term Rental tenants.
4. This Conditional Use Permit shall expire five (5) years from the date of approval. The renewal process of this Conditional Use Permit may be administrative and performed by the Planning Department; however, the Planning Department shall notify the City Council in writing prior to the renewal of any Conditional Use Permit for a Short Term Rental where the Short Term Rental has been the subject of neighborhood complaints, violations of its conditions or violations of any building, housing, zoning, fire or other similar codes.
5. No events associated with the Short Term Rental shall be permitted with more than the allowed number of people who may stay overnight (number of bedrooms times two (2)) on the property where the Short Term Rental is located. This Short Term Rental may not request or obtain a Special Event Permit under City Code Section 4-1 (8a).
6. The owner or operator must provide the name and telephone number of a responsible person, who may be the owner, operator or an agent of the owner or operator, who is available to be contacted and to address conditions occurring at the Short Term Rental within thirty (30) minutes. Physical response to the site of the Short Term Rental is not required.
7. If, or when, the ownership of the property changes, it is the seller's responsibility to notify the new property owner of requirements 'a' through 'c' below. This information must be submitted to the Planning Department for review and approval. This shall be done within six (6) months of the property real estate transaction closing date.
 - a) A completed Department of Planning and Community Development Short Term Rental Zoning registration form; and
 - b) Copies of the Commissioner of Revenue's Office receipt of registration; and
 - c) Proof of liability insurance applicable to the rental activity of at least one million dollars.
8. To the extent permitted by state law, each Short Term Rental must maintain registration with the Commissioner of Revenue's Office and pay all applicable taxes.
9. There shall be posted in a conspicuous place within the dwelling a summary provided by the Zoning Administrator of City Code Sections 23-69 through 23-71 (noise), 31-26, 31-27 and 31-28 (solid waste collection), 12-5 (fires on the beach), 12-43.2 (fireworks), and a copy of any approved parking plan.
10. All refuse shall be placed in automated refuse receptacles, where provided, and comply with the requirements of City Code sections 31-26, 31-27 and 31-28.
11. Accessory structures shall not be used or occupied as Short Term Rentals.
12. No signage shall be on-site, except one (1), four (4) square foot sign, may be posted on the building which identifies the Short Term Rental.
13. The Short Term Rental shall have no more than one (1) rental contract during any consecutive seven (7) day period.
14. The owner or operator shall provide proof of liability insurance applicable to the rental activity at registration and renewal of at least one million dollars (\$1,000,000) underwritten by insurers acceptable to the City.
15. There shall be no outdoor amplified sound after 10:00 p.m. or before 10:00 a.m.

16. The maximum number of persons on the property after 11:00 p.m. and before 7:00 a.m. ("Overnight Lodgers") shall be two (2) individuals per bedroom.
17. To the extent permissible under state law, interconnected smoke detectors (which may be wireless), a fire extinguisher and, where natural gas or propane is present, carbon monoxide detectors, shall be installed in each Short Term Rental.

Further conditions may be required during the administration of applicable City Ordinances and Standards. Any site plan submitted with this application may require revision during detailed site plan review to meet all applicable City Codes and Standards. All applicable permits required by the City Code, including those administered by the Department of Planning / Development Services Center and Department of Planning / Permits and Inspections Division, and the issuance of a Certificate of Occupancy, are required before any approvals allowed by this application are valid.

The applicant is encouraged to contact and work with the Crime Prevention Office within the Police Department for crime prevention techniques and Crime Prevention Through Environmental Design (CPTED) concepts and strategies as they pertain to this site.
