

Ms. Stacey Webb Feken

Policy and Engagement Manager

Albemarle-Pamlico National Estuary Partnership (APNEP)

- She focuses on partnership building, raising awareness about APNEP and the estuarine ecosystem, and coordinating restoration, policy, and programmatic support activities.
- Her background includes over 15 years of experience implementing ecosystem restoration, water resources, and ecological research programs in Louisiana, Georgia, and Florida, including the Comprehensive Everglades Restoration Plan (CERP).
- Stacey holds an M.S. in Marine Sciences from the University of Georgia, and a B.S. in Zoology from Louisiana State University.
