

Consultants, Builders and Developers Notice #20220613

June 13, 2022

Topic: Changes for Building Permits, Trade Permits, & Technology Fees.

Effective July 1, 2022

On May 10, 2022, City Council, as part of the FY23 Resource Management Plan, approved fee changes associated with building permits, trade permits, and technology fees.

Building Permits, Trade Permits and Technology Fees

The Virginia Uniform Statewide Building Code Section 107 allows a locality to assess fees to defray their costs of associated code enforcement. Therefore, effective July 1, 2022, the following permit fees will be applicable to your project.
