

Entering a Building Permit Application

NOTE: The Permit Applicant will need to download, fill out, sign, and then upload a paper application before the permit will be issued. These can be found at the following web site:

<https://www.vbgov.com/government/departments/planning/permits-inspections/Pages/forms-fees-procedures.aspx>

They will also need to upload a Construction Plan.

If you need assistance with this or any other issue, please contact us at (757) 385-4211.

Log into the City of Virginia Beach's Accela Citizen Access (ACA) site at the following address:

<https://aca-prod.accela.com/cvb/default.aspx>

If you do not already have an account, you can apply for one at the above site. You need an account, in order to create a Building Application. This program is very browser/version specific. You must be using either Internet Explorer 11, Google Chrome 68, Mozilla Firefox 61, Opera 54, Edge 38, or Safari 11. Anything other than the ones listed are not supported. Once successfully logged in you should see the screen below.

The screenshot displays the Accela Citizen Access (ACA) website interface. At the top, there is a navigation bar with the following items: Home (highlighted), Permits, Planning, and Housing. Below this is a secondary navigation bar with Dashboard, My Records, My Account, and Advanced Search (with a dropdown arrow). The main content area is divided into two columns. The left column contains a welcome message for Robert Bills, a prompt to select a service, and a list of services under four categories: General Information (Lookup Property Information), Permits (Create an Application, Search Applications, Schedule an Inspection), Planning, and Housing. The right column shows a shopping cart icon with a count of 0 and the message 'Your cart is empty.'

Click "Create an Application" or "Permits".
