BY THE AUTHORITY OF THE POLICE CHIEF: <i>PWN</i>			

Purpose

To establish the Virginia Beach Police Chaplain Program.

Policy

The Virginia Beach Police Chaplain Program exists and operates at the discretion of the Chief of Police and is directly assigned to the Deputy Chief of Investigations scope of responsibility. The Chaplain Program will be in compliance with the Department GO 2.16 Civilian Volunteer and Intern Program as well as Department GO 2.13-Ancillary Personnel.

Function

The Chaplain Program consists of volunteer professional, commissioned, or vowed men and women from a variety of faiths who devote time and talents to the members of the Police Department, their family, and the citizens. The Virginia Beach Police Chaplains will provide emotional support and crisis intervention to police personnel, their families and the citizens of and visitors to the City of Virginia Beach without regard to race, culture, religion, sex, marital status, age, sexual orientation or disability.

No one is confronted with more situations that demoralize and create emotional, mental, and spiritual burdens than today's law enforcement officer. The police chaplain is aware of the fact that a police officer's job is an extremely difficult one, being constantly in the presence of danger and under pressure and scrutiny. Because these burdens also affect the officer's family and other members of his or her department, the chaplain is also available to the officer's family and co-workers as required. The police chaplain strives to create a relationship with officers such that they feel free to approach the chaplain for counsel at any time without fear of judgment or reprisal.

Police Chaplains have no law enforcement authority and the duties performed include the following dependent upon the individuals' qualifications, certifications, and licensure. Hours of volunteering will often occur during nights and weekends. Duties include but are not limited to:

- A. Provide spiritual and emotional assistance as appropriate or requested.
- B. Assisting with death notifications.
- C. Serve as members of the Department Crisis Response and Peer Support Teams

- D. Ride Along with Officers
- E. Conduct funerals, memorial services, and weddings as requested.
- F. Offer invocations, benedictions, etc at official functions
- G. Act as liaison with Community clergy
