Purpose

To describe the eligibility for membership in the Law Enforcement Explorer Post, training for members, and guidelines for ride-alongs for Post members with the Virginia Beach Police Department.

Program Description

Law Enforcement Explorer Posts is a national program sponsored by the Boy Scouts of America and chartered by the Virginia Beach Police Department. The purpose of the Virginia Beach Police Department Explorer Program is to give the Explorer a better understanding and awareness of police work. Since the explorers are potential recruits for the department, it is the responsibility of the post advisors and all department personnel to fulfill the department’s obligation to the explorers for training and information. The Post Advisor is a member of the Community Engagement Unit and works with the Post members as a part of their duties. The post advisor will maintain all records and arrange all training for the post according to protocols set forth in the department’s general orders. The associate advisors of the Explorer Post, will be sworn police officer(s) of the Virginia Beach Police Department, law enforcement officers from other jurisdictions, or civilian(s) approved by the post advisor or his designee.

Membership

To apply for membership to this explorer post, all applicants must maintain a 2.0 grade point average in school, undergo an interview process conducted by CEU, and have no arrests or convictions for felonies or serious misdemeanors, and volunteer community service with the Post. Members must be at least 14 years old and in the 9th grade. Explorers must leave the post upon the age of 21. Potential candidates for the post should be directed to the Community Engagement Unit to apply for membership.

Training

The Post Advisor or his designee is responsible for scheduling all training courses for the post. The training will consist of but not be limited to:

- | | | |

 - Assist in providing cover for any possible crime in progress
 - Driving vehicles
 - Riding with any vice, narcotics, or organized crime division officer

Uniform Division

Responsibilities of Uniform Division Host Officers:

- The host officer must use discretion at all times and concern themselves primarily with the welfare and safety of the explorer assigned to the unit.
- The host officer will be permitted to handle all calls for service within his zone. The host officer should be mindful of his duty as host officer and the safety of the explorer.

- The host officer may allow the explorer Ride-Along participant to leave the police vehicle to better enable the participant to observe the nature of the call or assist him as outlined in this policy; however, the host officer shall maintain close supervision of the explorer when they are out of the vehicle and be alert for possible hazards.

Investigative Division

Explorers will not be permitted to ride with Investigative Division personnel on a routine basis. Realizing there is a need for extra manpower in certain investigations; explorers may be utilized by the Investigative Division in certain controlled situations.

- Explorers may be assigned to the Investigative Division for use in neighborhood canvasses, distribution of fliers, searches for property and/or evidence, or other tasks designated by the investigative supervisor. Upon assigning such tasks, the investigative supervisor shall consider the safety of the explorer at all times.

Police Range

Explorers may be allowed to use the police range under strict guidelines. The use of the police range will be held in accordance with range protocols and procedures. Prior to using the range, the Explorers will receive classroom training, which includes firearm familiarization, range safety, and a complete outline of the course to be fired.
