

“An ounce of prevention is worth a pound of cure.” — Benjamin Franklin

Monthly meetings enhance communications between the communities, the Police Department and other City departments.

Citizens’ Advisory Committees, or CAC, are groups of citizens that meet every month to discuss potential community concerns and are the liasons between residents and City staff. For a complete list of dates, times, locations and contacts of the CAC meetings visit www.vbgov.com/police.

Crime Prevention is EVERYONE'S Responsibility...

The residents of Virginia Beach, the City and our department are working together for a common goal: **to enhance the quality of life for all who live and visit in the community.**

The CEU offers educational services and provides safety awareness resources to engage and empower the residents and visitors of Virginia Beach.

Help us help you!
