OPERATION LOOKOUT EXPANDED

WHAT IS OPERATION LOOKOUT EXPANDED?

The *Operation Lookout Expanded* program is a grant which provides funds for the purchase and installation of large-view peepholes.

The peepholes will be provided and installed by Virginia Beach Police Department (VBPD) officers from the Community Engagement Unit.

Who is Eligible?

All senior citizens (50 years of age and older) residing in the City of Virginia Beach are eligible.

How Much Will This Cost?

It's free - there is **no** cost to have this service provided.

How Do I Qualify?

You must agree to have a VBPD officer from the Community Engagement Unit conduct a home security assessment.

Upon completion of this assessment, a 1 3/8" large-view peephole will be installed in the front door of the residence. Three inch screws will be installed into the strike plates of the front and rear exterior doors.

Our Goal

The goal of *Operation Lookout Expanded* is to make our senior citizens residing in the City of Virginia Beach feel safer in their homes.

Who Do I Call?

Call the VBPD's Community Engagement Unit at:
