The Virginia Beach Police Department Civilian Volunteer Program has been in service for over 20 years. We currently have over 400 volunteers that work in many locations throughout our department including all four precincts, Special Operations, the Community Engagement Unit, Crime Solvers, the Detective Bureau, the Animal Care and Adoption Center, among other divisions as needed. Our volunteers are extremely dedicated, committed and some have been around since the program began. Volunteers have put in thousands of hours each year. We appreciate all of our volunteers. Thank you for your service to our department and the community.
