Community Engagement Chronicles - Your Source for Crime Prevention Information!

## Community Engagement Unit

The Community Engagement Unit (CEU) would like everyone to know about your Citizens Advisory Committee (CAC) meetings that are held 10 times a year in each precinct (see last page for dates, times, and locations). These meetings consist of liaisons from most of the various City Departments. The police commanders of each precinct assist the civilian CAC president, similar to a co-host. The various liaisons speak to an audience of citizens to keep them updated on the latest information, news and events. There are special guests that explain details about a Department or a City service and hot topics.

Consider it a shareholder's meeting where the company (City) reports to the owners (citizens) about what is going on with their business. You can ask questions or express concerns during the meeting with people who have direct knowledge of how the business operates, which is more effective than calling the Mayor's Office with your concerns. We all want to be effective in our jobs and this is a great way to start finding an efficient solution through education and practices.

Communication is a key ingredient to any good relationship and CEU uses these meetings to inform citizens about all of the programs and services we have to offer through the Community Engagement Unit. We can tell you about the latest crime trends and offer simple, sound advice on what you can do to reduce criminal opportunity in your neighborhood.

Like most of our programs, communication is the key to reduce crime through education, awareness and understanding. We all have a common goal ... *To Prevent Crime!* Neighborhood Watch is primarily good communication between you and your neighbors with advice from officers and other City representatives. Please jump on the communication train and start by attending a CAC meeting or join the Neighborhood Watch.

Thank you - MPO Brad Dietrich

The Community Engagement Unit is excited to advertise  
Open Enrollment for the Explorer Post 911.

The Post is gladly taking all qualified youth between the ages of 14-21 who want to work on their resume, collect volunteer hours for school or college, and learn about the police department and law enforcement as a possible career choice!

Please contact MPO B. Detrich at email: [bdetrich@vbgov.com](mailto:bdetrich@vbgov.com) for dates and time of the next quarter enrollment meeting.

Please understand that larcenies from vehicles happen almost every night in Virginia Beach. You could be next if you leave valuables, spare keys, garage door openers, money, purses, wallets, backpacks, electronic devices, GUNS or anything else in plain view inside of your vehicle.

Most of the time these things are stolen because vehicles are left unlocked. At the very least, conceal your property in the trunk if you have to keep it in the car.

# Don't Let The Grinch Steal Your Joy!

The Virginia Beach Police Department's Community Engagement Unit (CEU) wants to remind you to stay vigilant ***all year round***, but especially during this holiday season. Here are a few tips to help you avoid being a victim during the holiday or anytime of the year.

1. Sign up for delivery alerts so you know when your delivery is scheduled and when the package has arrived.
2. If you're not able to be home when a package will be delivered, ask a trusted neighbor to hold it for you.
3. If possible, require a signature for all deliveries.
4. Consider shipping packages to your place of work or use the ship to store option.
5. Be a good neighbor! If you see a package on your neighbor's doorstep, reach out and ask if they would like you to hold it until they are home.
6. Keep an eye out in the neighborhood. If you see someone attempting to take packages get a description and a license plate, if possible. Use your phone to take a picture.

DO NOT approach a criminal and call 911 immediately! If you are a victim of theft, contact Virginia Beach Emergency Communications immediately at 385-5000 and report all crime.
