**GeoEnvironmental Resources, Inc., GER**, is pleased to present the Site Characterization and Risk Assessment (SCR/RA) Addendum for Voluntary Remediation Program (VRP) Site 00689, the Law Enforcement Training Site (LETS). The purpose of this SCR/RA Addendum was to address the questions and comments to the original SCR/RA provided by DEQ in your letter dated September 25, 2017. This SCR/RA Addendum was prepared in accordance with the VRP Guidance Document on behalf of the site owner, the City of Virginia Beach.

**GER** appreciates your prompt review of the SCR/RA Addendum and welcomes any questions you may have regarding the report, at your earliest convenience.

Sincerely,  
**GeoEnvironmental Resources, Inc.**

Philip T. Rogan, PG  
Project Manager
