

## 3075000 Fire/EMS Burton Station

---

### Overview

---

The project provides for the design and construction of a new 14,300 square foot, 3 bay, Fire and EMS Station to service the residents and businesses in the Burton Station area. Construction of the new Fire/EMS Station will be located on the new North Tolliver Road.

The project is currently being designed by Dills Architects of Virginia Beach VA.
