

3503000 Housing Resource Center

Overview

This project is to construct approximately 62,000 square foot Housing Resource Center (HRC) that would provide shelter and services to homeless persons and those at risk of homelessness. The project will include showers, laundry, lockers, kitchen space, office space for the provision of services by faith, non-profit and City providers.

The project was designed by Waller Todd & Sadler Architects of Virginia Beach VA.

The construction contractor is S.B. Ballard Construction Company of Virginia Beach.

Construction Notice to Proceed was issued September 1, 2016. Construction is ongoing at the corner of Witchduck and Southern Boulevard in Virginia Beach.
