

Bow Creek SW Park Survey

The City of Virginia Beach departments of Public Works and Parks and Recreation offered a survey seeking public input to help transform the **Bow Creek Golf Course** into a 100 acre, multi-faceted park facility that will provide significant flood mitigation for the area, while providing recreational opportunities for the public. The **Bow Creek Recreation Center** will remain and be integrated into the future uses of the park. **This survey has closed.** Click [here](#) to review the survey results.
