

December -2011

**I. Mast Arm Installation at Oceana Boulevard & Bells Road, Saturday, December 10, 2011**

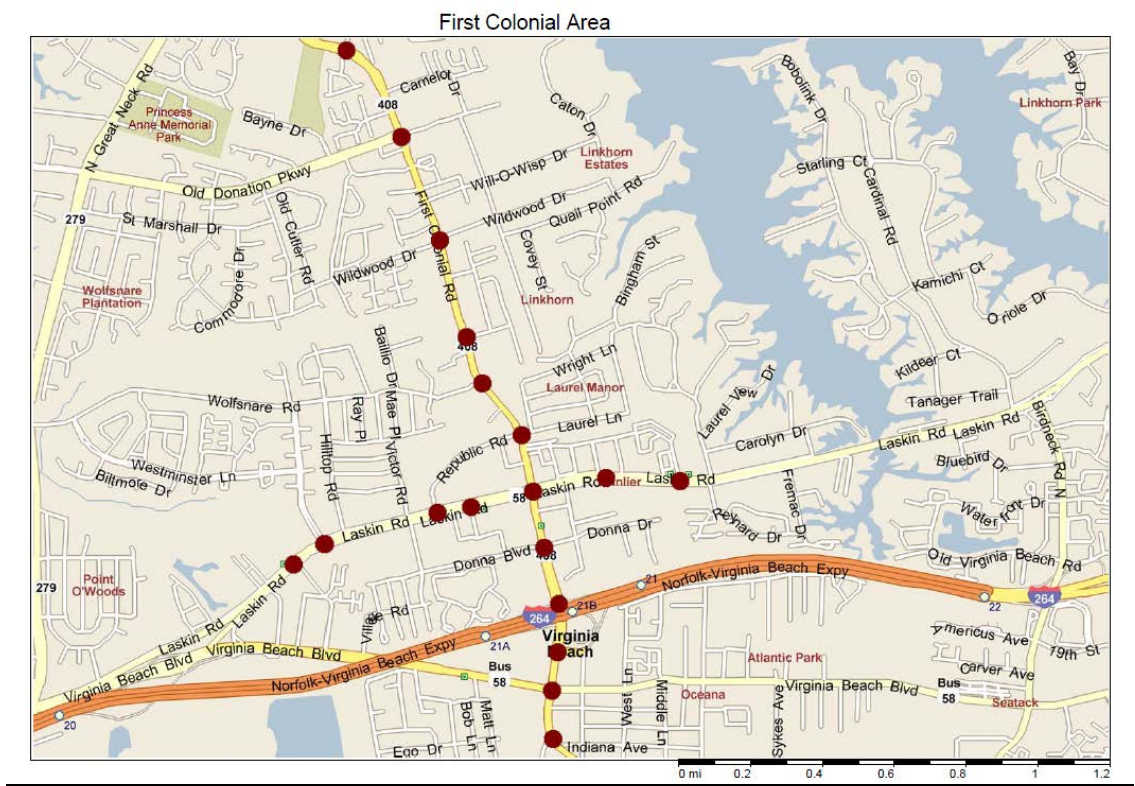

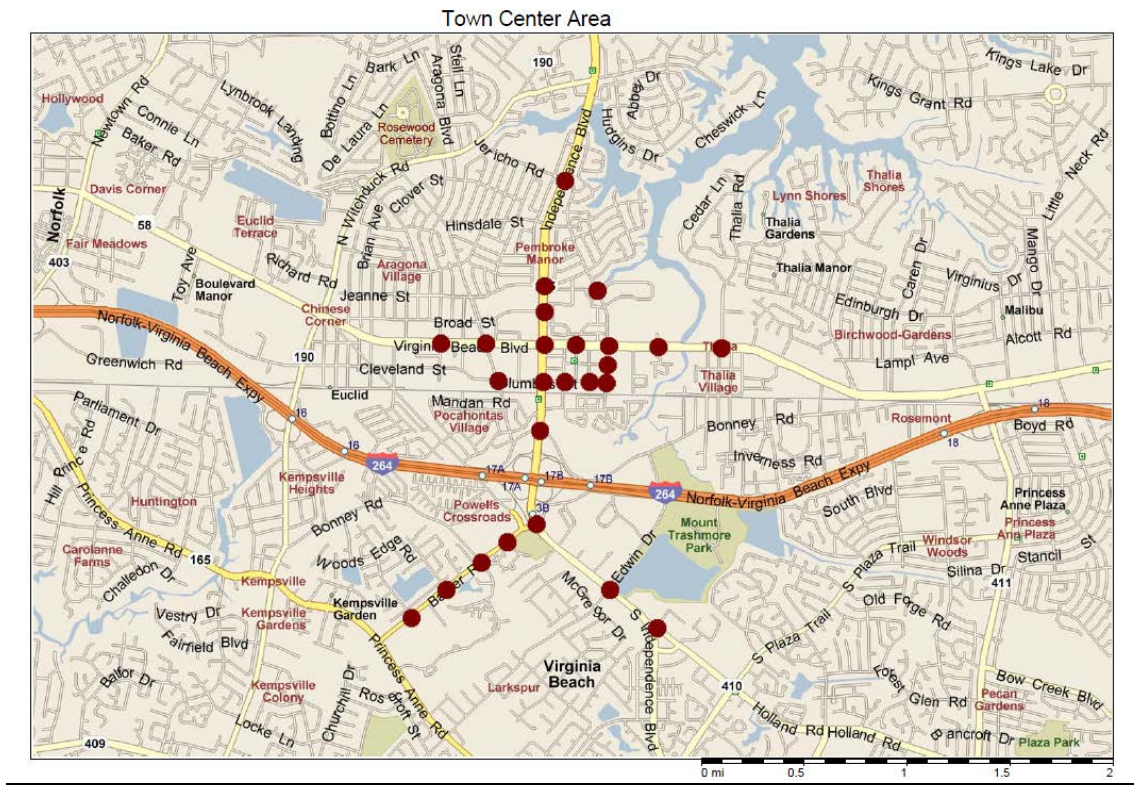

Staff completed the removal of a 12 year old span wire installation and installed 2- 65 foot mast arms. The foundations were failing on the span wire installation causing the strain poles to lean awkwardly.

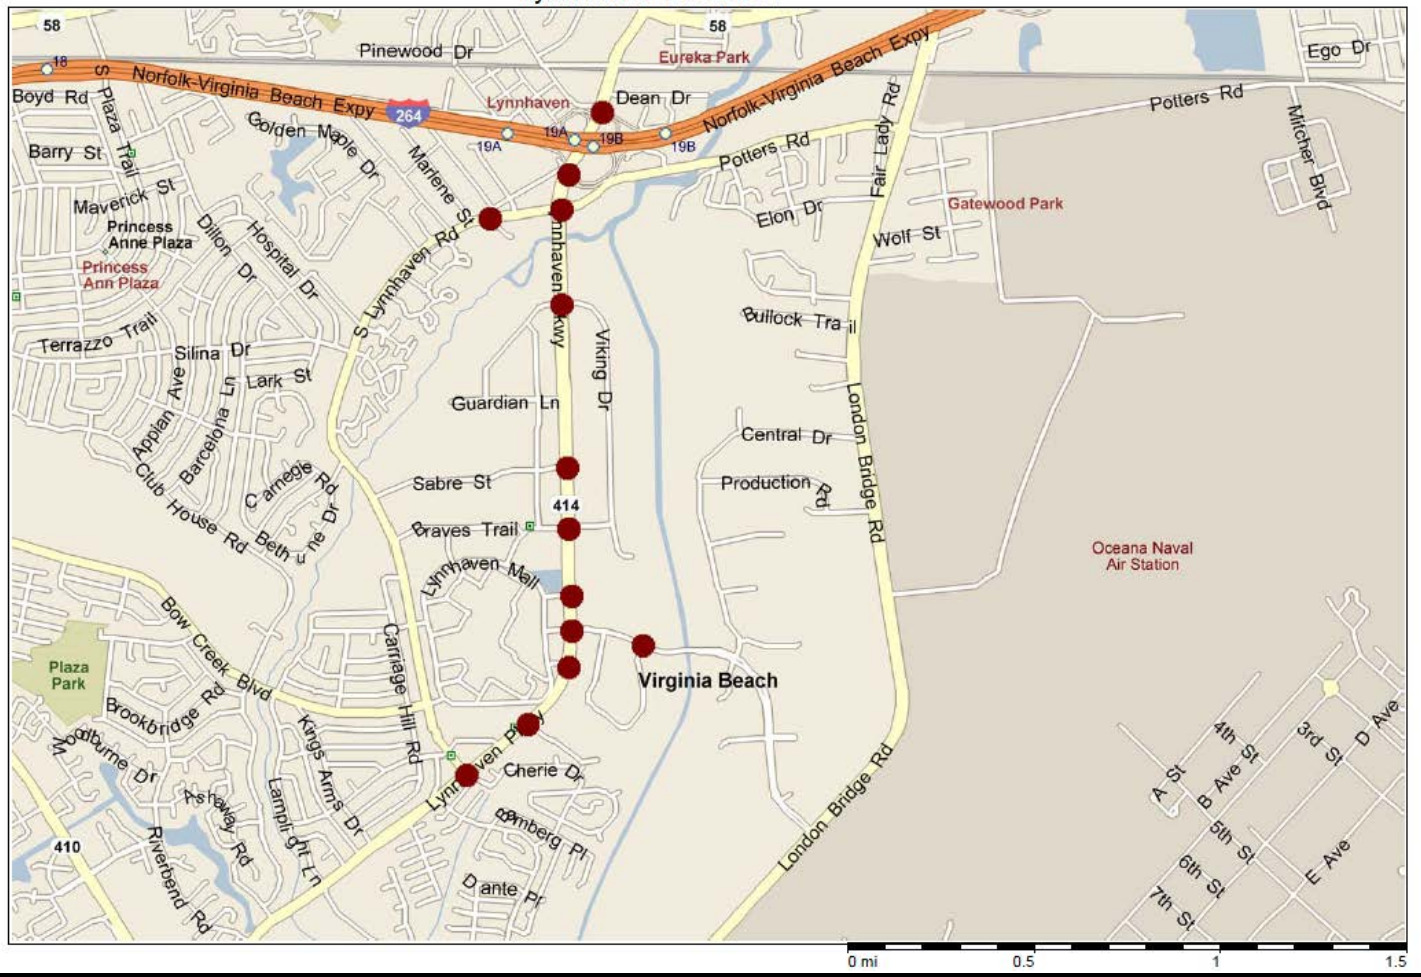

A crew of 10 completed the job in 9 hours; started the demolition at 3am on Sunday December 11 and the new signal was operational by 12pm.

## II. Implementation of Holiday Traffic Signal Timing Plans at Town Center, Lynnhaven Mall, and Hilltop Area.

In an effort to make our holiday season travels more efficient, Staff implemented special holiday timing plans at our three (3) major traffic centers. Timing plans were implemented at Town Center (25 intersections), Lynnhaven Parkway East (Lynnhaven Mall- 13 intersections), and First Colonial Road (Hilltop area- 18 intersections)

# Lynnhaven-East Area

**III. Traffic Management Operations Division Response Information**

*Some of the vital statistics we address each month*
