

Vision to Action Community Coalition 2040 (VTACC 2040) Receives Outstanding Volunteer Civic Group Award

Volunteer Hampton Roads held its annual Hampton Roads Volunteer Achievement Awards to recognize Hampton Roads' volunteers who give their time and talent to improve the community. This year VTACC 2040 was selected out of numerous quality applicants to receive the Outstanding Volunteer Group Award. Vision to Action Community Coalition 2040 (VTACC 2040) is a coalition of volunteers appointed by City Council. The coalition is comprised of diverse individuals from a myriad of ages, ethnic backgrounds, gender, religious, industries, and almost every zip code in Virginia Beach. VTACC's mission is having established a Vision to be the most livable Coastal community in the world; the Coalition exists to help ensure that the Vision becomes a reality.

The group conducts public outreach; monitors and reports on the City's progress toward achieving the vision. The group is not legislative in nature, it is promotional, accountable and educational. It seeks to educate citizens of the city that there exists a vision for our city and how each citizen can be part of that vision. It also reports to City Council on feedback from the presentations and feedback each year. The coalition's power is outreach and education.

L-R VTACC Members: David Weiner, Bob Magoon, Volunteer Hampton Roads Member, Carol Curtis, Karen Kwasny, Cheryl Snowden, and Cynthia Arocho, Volunteer Hampton Roads Member
