

TOWN CENTER PARKING

Parking Type, Restrictions, and Signage

Time-Restricted Garage Parking

Two-hour garage parking is intended for short-term use only.

Vehicles may not relocate to another two-hour parking space in the garage when the time limit has been reached. Vehicles that overstay the two-hour limit are subject to immobilization with a removal fee of \$25.

Located in the Blue, Green, Orange and Maroon Garages.

Time-Restricted Curb Parking

Two-hour curb parking is intended for short-term use only.

Vehicles may not relocate to another two-hour curb parking space when the time limit has been reached. Vehicles that relocate to another two-hour parking space and/or overstay the two-hour time restriction are subject to a \$20 parking citation.

On-Street Loading Zones

Loading zones are for the use of unloading vehicles and delivery trucks, as well as passenger drop-off.

Reserved Parking Spaces in Garages

Serves to alert drivers to not park in reserved spaces. Located at the entrance of Town Center garages.

24-Hour reserved parking spaces are reserved for lessee use only. The spaces are enforced 24-hours a day, seven days a week.

Only enforced Monday through Friday, from 6am to 6pm. These spaces are open for public use on Saturdays, Sundays and from 6pm to 6am on weekdays only.

Oversized Vehicle Parking

To prevent vehicle collisions and circulation obstruction, vehicles over 18 feet are prohibited from parking in certain spaces.

These larger vehicles parked in prohibited spaces will either be immobilized with \$25 removal fee or be towed, depending upon safety hazard factors.

Parking spaces with this sign allows oversized vehicles to park by permit in the Blue Garage, located in 4544 Columbus Street.
