RE: Burton Station Village Community Meeting

Representatives from the City of Virginia Beach held a Burton Station Village Community meeting on February 26, 2014. For those of you who were able to attend, we appreciate your time and feedback related to the project. As discussed in the meeting, enclosed is a summary of the meeting and a copy of the information presented. This information is also available on the City web site at www.vbgov.com/burtonstationsga.

We continue to work to move this project forward. At this time the request for rezoning of the Norfolk properties is tentatively scheduled to be heard by the Planning Commission on May 14, 2014. This public hearing will take place at 12:00 pm in the City Council Chamber, located at 2401 Courthouse Drive (Municipal Center, Building 1, 2nd floor). The meeting is open to the public and you may speak about the project if you desire.

Regardless of the outcome of the proposed Outlet Mall, we continue to finalize the construction documents required to bring new roads; and, water and sewer service to your neighborhood. Please refer to the above referenced project web page for status updates on these projects.

If you have any questions or need additional project information, please feel free to contact me at (757) 385-2912 dadams@vbgov.com.

Sincerely,
