CID # 515531

Dear Mayor Sessoms:

I am pleased to inform you that the revisions to the City of Virginia Beach's Floodplain Management Ordinance, as amended on October 7, 2014, brought the Ordinance into compliance with the National Flood Insurance Program (NFIP) as required for the City of Virginia Beach's updated Flood Insurance Rate Map (FIRM) release on January 16, 2015.

Your efforts toward reducing future flood losses in the City of Virginia Beach are commendable. Feel free to contact me at 215-931-2880 or mari.radford@fema.dhs.gov if you have any questions regarding ordinance enforcement or any other aspect of the program.

Sincerely,

Mari Radford, CFM
