Public Notice

The Virginia Beach Police Department is scheduled for an on-site assessment from the Commission on Accreditation for Law Enforcement Agencies, Inc. (CALEA®) as part of an ongoing program to maintain international accreditation status. The Virginia Beach Police Department has embraced CALEA® Accreditation as a tried and proven business plan that focuses on proven management practices established as the professional model of policing with nationally established priorities that are responsive to contemporary policing strategies and a “best practices” approach to modern police work.

Administered by CALEA®, the accreditation program requires agencies to comply with state-of-the-art standards in four basic areas: **policy and procedures, administration, operations, and support services.**

The Virginia Beach Police Department’s policy and procedure are developed to best meet our communities’ needs and to fit the spirit and intent of the CALEA® standards. On Sunday, April 6, 2015 the VBPD will host two forums for agency employees and members of the community to offer comments addressing the VBPD’s ability to comply with CALEA® Standards. A copy of the CALEA® standards is available for review, at the Virginia Beach Police Department. The local contact is Lieutenant Johnny Gandy, Accreditation Manager, at (757) 385-8135.
