Festival Logistics for
Locals**

*Access, Traffic, Safety,
Parking, Preparations & More*

April 8, 2019
6:30-8:00 p.m.

Virginia Beach Convention
Center
1000 19th St., Ballroom 1

**THERE WILL BE
“SOMETHING IN THE WATER” APRIL 26-28, 2019
GOOD THINGS FOR YOU TO KNOW**

- 💧 Traffic will be July-Fourth-traffic kind of awful. But then it will pass. We have an extensive traffic plan, just be prepared for road closures and traffic diversions from I-264.
- 💧 If you live or work near the oceanfront, plan trips early in the day, take local roads instead of the interstate, break out the beach cruiser, walk or take public transportation.
- 💧 Parking will be **extremely** limited for anyone who isn't staying at an oceanfront hotel or other accommodations. There will be a remote lot at the corner of General Booth Blvd. and Dam Neck Road with shuttle service to the oceanfront. Encourage people to use regional shuttles, rideshare, take the HRT VB Wave Trolley, walk or bike.
- 💧 Organizers are working with businesses, civic leagues and management associations to maintain access for businesses and residents near the festival footprint along Atlantic Ave. If you have access-related questions, please contact Residents@somethinginthewater.com.
- 💧 Law enforcement and private security personnel will be throughout the area to ensure everyone has a good time and respects the beach.
